#### Essence of Sound

by Evelyn Mulders

Energy Medicine is the medicine of the future and sound has been predicted to be the healing modality of the 21st century. This book "The Essence of Sound" blends both of these predictions to offer the reader a unique understanding of how Energy Medicine has the potential to enhance health, vitality and personal growth. The purpose of this book is to help the reader bring awareness to the healing potential of vibrational remedies. Some have claimed this book to be an encyclopedia of Energy Medicine.
